July 22, 2007

The following three hundred thirty nine lots sold for a gross amount of \$454,580 with a net amount (less 20% and a \$250 repair charge) of \$363,414. These items were sold on June 24, 2007 and paid on July 22, 2007 with Jones and Horan checks #4273 and #4274.

There are eight additional lots (auction lot #'s 38, 67, 172, 174, 189, 224, 328, and 335) that have not, as yet, been paid for by the winning Bidder. We will be in touch with you about the status of payment for these eight lots within the next two weeks. Also, we still have possession of a gold wristwatch bracelet that was attached to auction lot 169. We could not sell this bracelet because it violates copyright laws by having fake Rolex markings on it. We will be in touch with suggestions on what to do with this bracelet.

Thank you, and please let us know if you have any questions.
